

CANVAS COMMONS: ONLINE READINESS SURVEY

Instructors

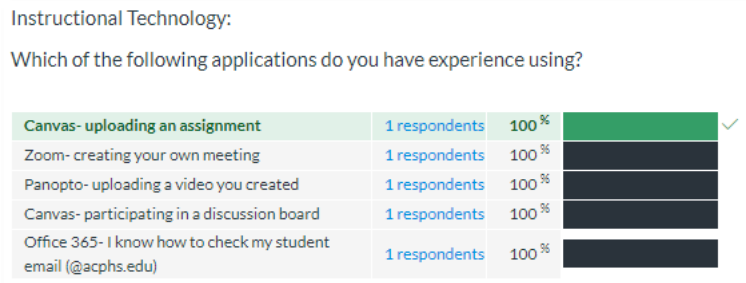

WHAT IS THE ONLINE READINESS SURVEY?

This survey gathers statistics about the student in your course. The data will give you a better understanding of their locations, internet access, and computer equipment.

The following questions are asked (you can add or delete once in your course)

1. Do you have a reliable internet connection? **Find out if students have limited access**
2. What type of internet connection do you have? **Find out if students have slow bandwidth**
3. Do you have the ability to watch videos and download files from your location?
4. Do you have access to a computer with a webcam and a microphone?
5. Which of the following applications do you have experience using? **Find out if students have experience with Canvas, Panopto, Zoom, etc.**
6. Are you located in the Eastern Standard Time (EST) zone for the rest of the semester? Where are you located?
7. Additional Comments: Do you have any questions or concerns about continuing the course after the extended break? What are your greatest concerns about online instruction and learning in this course? Is there anything else you would like me to know at this time?
