

POLL EVERYWHERE: STUDENT GUIDE

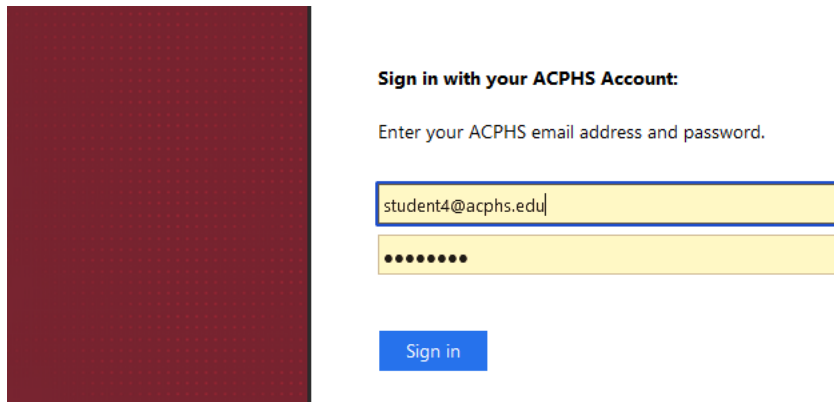

Student

RESPONDING TO POLL QUESTIONS

1. During class, an instructor will display a Poll Everywhere activity on-screen. The slide will display the link to join the poll in this format: `pollev.com/username`. From your phone, laptop, or tablet you will enter the web address and see the following screen:

2. Click Log in with SSO on the bottom of the screen, and you should see a familiar log in screen. Enter your ACPHS credentials and click Sign In.

3. The site will then redirect you to your instructor's poll. In the upper right, you'll see "Responding as [Your Name]" so you can confirm you're logged in. You are ready to participate in the poll.
